**Radiohead**  
From 1992-2003

Radiohead were an English rock band from Abingdon, Oxfordshire, formed in 1985. The band consists of Thom Yorke (lead vocals, guitar, keyboards, bass guitar, keyboards, tube instruments), Colin Greenwood (bass, DJ), Philip Selway (drums, percussion) and Ed O'Brien (guitar, backing vocals). Radiohead released their debut single "Creep" in 1992. The song was initially unsuccessful, but became a worldwide hit several months after the release of their debut album, *Pablo Honey* (1993). Radiohead's popularity rose in the United Kingdom at the release of their second album, *Pablo Honey* (1993). Radiohead's third album, *OK Computer* (1997), provided them an greater international fame. Featuring an expansive sound and themes of modern alienation, *OK Computer* is often considered as one of the landmark records of the 1990s. *IdA* (2002) and *Amnesiac* (2001) marked an evolution in Radiohead's musical style, as the group incorporated experimental electronic music, funk and jazz influences. *IdA*, through democratic songwriting at the time of its release, became frequently recognized as one of the most popular albums of the

Radiohead

**Radiohead**  
Born 1965-06-18

Radiohead are an English rock band from Abingdon, Oxfordshire, formed in 1985. The band consists of Thom Yorke (lead vocals, guitar, piano), Jerry Sheehan (lead guitar, keyboards, other instruments), Colin Greenwood (bass), Phil Selway (drums, percussion) and Noel Holm (guitar, backing vocals). Radiohead released their debut single "Creep" in 1992. The band was initially unsuccessful, but became successful 18 months after the release of their debut album, Pablo Honey (1993). Radiohead's popularity expanded in the United Kingdom with the release of their second album, The Bends (1995). Radiohead's third album, OK Computer (1997), propelled them to greater international fame. The band's subsequent sound and themes of modern alienation, OK Computer is often considered as one of the landmark records of the 1990s. In 2000 and November 2007 created an artistic in Radiohead's record 10th, as the group incorporated experimental elements, to each kind of genre fusion. In 2010, through several releases at the time of releases, it was frequently recognized as one of the most innovative albums of the
